Description

Certified Matterport Training

Our four-day, two-day and refresher Matterport training courses are certified by Lantra and The CPD Group.

Learners who successfully complete a course receive a Lantra certificate, along with a CPD certificate reflecting the appropriate number of learning hours.

All course content has been formally submitted to Lantra for detailed assessment and approval prior to delivery.

Lantra Certified Training

All Lantra qualifications are regulated by Ofqual and nationally recognised by industry. Equivalent to City & Guilds, every course we offer is fully regulated.

CPD Certified Training

CPD is recognised around the world by employers, professional bodies and educational institutes alike.
